

## II International Conference

Perspective of Social Museology for the ICOM Code of Ethics  
13 and 14 February 2025 - Lisbon

Our II International Conference, “Perspectives of Social Museology for the ICOM Code of Ethics,” seeks to actively engage the ongoing debate within ICOM on these pressing challenges, which are critical to the future of Museology—a future that must be guided by the practice of social responsibility in service of Human Dignity.
